State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years: The mission of the Pharr Housing Authority is to provide decent, safe and sanitary housing to low income families. The Pharr Housing Authority shall allow qualified families the opportunity to obtain community wide housing by improving their living conditions through affordable rent payments. The Housing Authority will continue to serve as a stepping stone and will encourage the families to participate in the various programs (Affordable Housing Programs and Counseling Programs that are designed to promote self-sufficiency. The mission of the Housing Authority is to assist as many qualified families as possible, by providing them the opportunity of improving their lifestyles and becoming self-sufficient.								

5.2 Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.

The City of Pharr is located in the south part of Hidalgo County, along the intersection of U.S. Highway 281 and Expressway 83 since 1909. The City has consistently grown in size and population. The Board of Commissioners and staff selected six priority goals or results for the five years, which are as follows:

- 1.) Retain high quality employees, conduct evaluations and have scheduled training sessions on a continuous basis.
- 2.) Apply for vouchers as soon as NOFA is issued.
- 3.) Apply for all grants that the Housing Authority can qualify for.
- 4.) Apply for Tax Credits to build affordable housing to produce additional resources.
- 5.) Apply for bank loans to continue with our Homeownership Program.
- 6.) Apply for ROSS Program to help Low-Rent Elderly on Self-Sufficiency
- 7.) Evaluate Public Housing developments to determine redevelopment initiatives, including but not limited to possible demolition/disposition and redevelopment as mixed finance developments, and replace all units lost on a one-for-one basis.
- 8.) Continue to notify of procedures of Violence Against Women Act and assure they understand their rights under the act. (See Attachment)

The long waiting list indicates that the area residents cannot afford housing in the local market. A 100 unit mixed finance development (Las Canteras) using low-income housing tax credits that includes the replacement of public housing units has been completed. An application for an allocation of 2007 housing tax credits was approved by the Texas Department of Housing and Community Affairs (TDHCA) for the redevelopment of Sunset Terrace as a mixed finance development and it has been completed. The development is fully occupied. An application for an allocation of 2008 housing tax credits was approved by the Texas Department of Housing and Community Affairs (TDHCA) for the redevelopment of Parkview Terrace as a new mixed finance development and its residents have been relocated and it is currently nearing completion. We have made progress in meeting our goals to improve quality of life and promote self sufficiency by being able to:

- 1. Increase the number of residents graduating into the Homeownership Program.
- Continue with the Homeownership Program's a.) Budgeting Classes
 Credit Counseling
- 3. Increase the number of participants in the Family Self-Sufficiency program by motivation and counseling.
- 4. Continue to provide Family self-sufficiency program escrow accounts for those families which qualify.
- 5. Increase meaningful resident participation in the improvement of their developments and neighborhoods.
- 6. Continue to network with local agencies, school district and city.
- 7. Implement the community service/self-sufficiency policy. We are encouraging our residents to volunteer at the Housing Authority. We have residents volunteering in:
 - a. Beautification of areas
 - b. Providing and attending the G.E.D. & ESL Classes
 - c. Providing and attending Computer Classes
 - d. Providing citizenship classes
 - e. Helping out with fundraisers

Section 9.0: Housing Needs

The Pharr Housing Authority's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list by reducing turnover time for vacated public housing units, reduce time to renovate public housing units, seek replacement public housing units lost to the inventory through mixed finance development, employ effective maintenance and management policies to minimize the number of public housing units off line. In addition, the Pharr Housing Authority plans to maintain or increase Section 8 lease up rates by establishing payment standards that will enable families to rent throughout the jurisdiction, undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required. Also by maintaining or increasing Section 8 lease up rates by marketing the program to owners particularly these outside of areas of minority and poverty concentration. To maintain or increase Section 8 lease up rates by effectively screening Section 8 applicants to increase owner acceptance of program and to participate in the consolidated plan development process to ensure coordination with broader community strategies.

The Pharr Housing Authority plans to increase the number of affordable housing units by applying for additional Section 8 units should they become available, by leveraging affordable housing resources in the community through the creation of mixed finance housing and by pursuing housing resources other than public housing or Section 8 tenant-based assistance.

Section 9.1: Strategy for addressing Housing Needs:

The Pharr Housing Authority's strategy for addressing housing needs of our families in the jurisdiction and on the waiting list for the upcoming year has continued with the construction of our tax credit properties. We completed Mesquite Terrace, an elderly property that consists of 106 units of which 20 are Public Housing units and it is fully occupied. In addition; construction was also completed on our Sunset Terrace tax credit property that consists of 100 units, of which 40 are Public Housing units. We have also completed the relocation of our 100 families from our Parkview Terrace development. This tax credit property started demolition on May 13, 2010 and construction of the 100 units commenced after demolition. It is currently nearing completion. We are looking to start housing families by the early part of July 2011. These properties once complete will provide new decent, safe and affordable housing for families in our jurisdiction. We will continue to look for funding to provide affordable housing for our families and hope to build additional units on our vacant tracts of land.

Section 10 Additional Information:

(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.

The Pharr Housing Authority continues to strive each and every day in its progress to meet all our goals.

We continue to recruit families from our Public Housing and Housing Choice Voucher program to increase the number of our residents in our family self sufficiency program. We continue to provide homeownership and credit counseling to our families. In addition, we provide family self-sufficiency escrow accounts to the families that qualify under that program.

The Pharr Housing Authority networks with local agencies, the school district and the City. The Pharr Housing Authority also encourages our residents to participate in services and classes that are provided to our residents such as attending computer classes, attending GED and ESL classes to help them become self sufficient.

We have also applied and been approved numerous tax credit/mixed finance properties. In applying for tax credits we are able to build decent, safe and affordable housing to produce additional resources for the Pharr Housing Authority. In applying and being approved for allocations of tax credits we have increased our number of vouchers in the Section 8 program as well.

The Pharr Housing Authority continues to retain high quality employees, conduct evaluations and have scheduled training sessions on a continual basis to be able to operate a successful agency.

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

Until definitions of "Substantial Deviation" or "Significant Amendment of Modification" are defined by HUD, the PHA will accept the definitions as set forth in PIH Notice 99-51 which includes the following actions:

Significant Amendment:

Any change with regard to demolition or disposition (Parkview Terrace, for the future Meadow Heights, Villa las Milpas and Las Milpas Homes), designation, homeownership programs or conversion activities

Significant Deviation:

- -Changes to rent or admissions policies or organization of the waiting list;
- -Additions of non-emergency work items (items not included in the current Annual Statement or
- 5 Year Action Plan) or change in use of replacement reserve funds under Capital Fund; and
- - Change of the new FMR

In addition, an exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such as changes will not be considered significant amendments by HUD.
